- Etsy
- Amazon KDP
- Gumroad
- Payhip
- Creative Fabrica
- Teachers Pay Teachers
- WarriorPlus
- Your own website
- Other digital product marketplaces

However, each marketplace has its own rules. You are responsible for making sure your final products comply with the terms and policies of the marketplace where you sell.

Software Access Is Not Resellable

This PLR License does not give you the right to resell, transfer, sublicense, clone, or distribute access to the ToonTale AI software platform.

You may sell the content you create with ToonTale AI, but you may not sell the app itself.

Credit Usage

ToonTale AI uses a credit-based generation system.

Credits are used to generate new pages inside the software.

You may not:

- Abuse the credit system
- Use bots or scripts to automate unauthorized generation
- Share your account with others to bypass credit limits
- Resell your unused credits outside the platform

Credits are for use inside your own ToonTale AI account only.

No Guarantee Of Earnings

ToonTale AI provides tools, assets, prompts, and PLR rights that may help you create digital products faster.

However, we do not guarantee that you will make money.

Your results depend on many factors, including your marketing, product quality, niche, pricing, platform, audience, effort, and business experience.

Responsibility Disclaimer

You are fully responsible for how you use, edit, publish, distribute, or sell the content created with ToonTale AI.

Before publishing or selling any product, you should review the final content carefully and make sure it is appropriate, accurate, and compliant with any platform rules or legal requirements.
